Kind reference is invited to page 45 of the Report on Public Instruction for 1940-41, wherein the names of the no of Municipal High Schools are mentioned Beside there, the marginally noted Municipal High Schools have since been started. It is only in the Case of Bijnor Municipal High School, that the question of Contribution by another Municipal Council, viz Kashi Municipality has arisen.

2 According to the Govt no L 9380-99/ML 74-37-70 dt 18-5-38, Rule 4 of the Rules applicable to ~~Municipal~~ High Schools were modified, and the personnel of the Committee is as noted in the margin, the same being Constituted by the W.P.D. It will therefore be seen that as the number of members is fixed as per the Govt. dt 18/7/38, ~~no addition to the number~~ of members for the nomination of a member of another Municipal Council

6. In the case of Members representing the Municipalities who are to be on the Committees of Management of Municipal High Schools, the term of office will have to be co-terminus with that of the Municipal Council, subject to the proviso that a member originally selected shall hold office till another one is appointed. It seems therefore necessary that the "terms of office" in the case of Members of other Municipal Councils should also be specified.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION IN MYSORE

From Rajaseva Sakta A R WADIA, Esq, B A, (Cantab), Bar at Law,
Director of Public Instruction in Mysore,

To A Sundararaja Rao, Esq, B A, B L,
Secretary to the Government of His Highness
the Maharaja of Mysore, Law Department,

Sir,

Subject - Further modification of Rule 4 of the rules applicable to Municipal High Schools and their committees

1) Adverting to Government Order No L 9380-99/M1 74-37-70 dated 18th May 1938 approving certain amendment to the above rule, I have the honour to state that the amended rule does not permit the appointment of any member nominated by a Municipality other than that which undertakes to maintain the school, to serve on the committee, even though the other Municipality also pays a recurring contribution towards the maintenance of the school Such an instance has arisen in the case of the Municipal High school, Birur, which is being started this year, as the Kadur Municipality proposes to pay a contribution of Rs 250/- per annum for the maintenance of the school The Deputy Commissioner, Kadur District has recommended that a member nominated by the minor Municipal Council, Kadur may be appointed to serve on the Managing Committee of the above said school In anticipation of sanction of Government, I have issued a Notification appointing one member from the Kadur Municipality to serve on the said Committee in addition to the three members nominated by the Birur Municipality My action in the matter may kindly be approved

2) In this connection, I have to bring to your kind notice that the Deputy Commissioner, Kolar has recommended that one Mr K Balaramiah Setty

of Chintamani, who is a member of the local Municipal Council may be appointed to serve on the Managing Committee of the - local Municipal High School, as an additional member, in recognition of his benevolent services to the school He is stated to have offered a sum of Rs 1,000/- for the extension of the local High school building, in addition to Rs 4,000/- given by him in the past for construction of a Memorial Hall attached to the school The Deputy Commissioner is of opinion that the presence of this gentleman on the committee of management of the school may prove to be even more beneficial to the school The question is being examined further and certain additional information required in this connection has been called for from the Deputy Commissioner, Kolar

3) But, in the meanwhile, I am of opinion that it is highly desirable to further amend the rule referred to above so as to empower the Director of Public Instruction to appoint one or two additional members on the Committee of managements of Municipal High Schools, so that in deserving cases, such as the above two, appointments may be made by me without reference to Government

4) I recommend, therefore, that Government may be pleased to order the inclusion of the following at the end of the amended rule No 4 of the rules for the management of the Municipal High schools and - their committees -

> "The Director of Public Instruction may also appoint on the committee, as a special case, one or two additional members on the recommendation of the Managing Committee of the school These additional members may be either representatives of any sister Municipality which may be contributing towards the maintenance of the school or donors of large donations for the school "

I have the honour to be,
Sir,
Your most obedient servant,

Director
